FIDELITY AND GUARANTY LIFE FIDELITY PLATINUM SUMMARY WITH APPLICATION

Thank you for your interest in our Fidelity Platinum as your retirement savings tool. Fidelity and Guaranty Life has prepared this summary to help you understand Fidelity Platinum's many features and benefits. Please sign at the end of this summary.

IMPORTANT FEATURES OF THIS ANNUITY

A SINGLE PREMIUM DEFERRED ANNUITY

Fidelity Platinum is a single premium deferred annuity. Fidelity Platinum is designed to be a long-term retirement savings tool to help you achieve the standard of living you want during your retirement.

NO INITIAL SALES CHARGES OR FEES

There are no initial sales charges or fees. Your single premium is available to earn interest from the date your annuity is issued.

TAX ADVANTAGES

Although an annuity does not eliminate your tax liability on interest earnings, under current tax law all interest income earned accumulates on a tax-deferred basis. This tax deferral is currently available only to individual owners, not to corporations or other non-individuals. Check with your tax advisor.

GUARANTEE PERIOD

The guarantee period is years. It is also the time period during which the credited rate is guaranteed to remain the same. The guarantee period begins on the date of issue and subsequent guarantee periods begin immediately following the end of each prior guarantee period. At the end of each guarantee period, we will provide you with a new declared interest rate for the new guarantee period.

AT THE END OF EACH GUARANTEE PERIOD, YOU HAVE 30 DAYS IN WHICH TO SURRENDER THIS ANNUITY WITH NO SURRENDER CHARGE. IF YOU DO NOT SURRENDER WITHIN THOSE 30 DAYS, THIS ANNUITY WILL AUTOMATICALLY RENEW INTO A GUARANTEE PERIOD OF THE SAME LENGTH WITH A NEW SET OF IDENTICAL SURRENDER CHARGES.

INTEREST CREDITING

The credited interest rate, which will be applied to your single premium during the initial guarantee period is shown in your policy. At the end of each guarantee period, we will provide you with a new declared interest rate for the new guarantee period.

We will never credit less than an effective annual interest rate of 1.5%.

SCHEDULED SYSTEMATIC AND UNSCHEDULED WITHDRAWALS

You may make scheduled systematic withdrawals of at least \$100 with just one request and unscheduled withdrawals up to four times per year in an amount of at least \$500. These withdrawals will be subject to surrender charges unless they are waived under the exceptions below.

WITHDRAWALS/SURRENDER CHARGES

The surrender charge will apply to a full surrender or to a partial surrender (withdrawal) unless they are waived under the exceptions below. A new identical set of surrender charges apply for each subsequent guarantee period. The surrender charge for Fidelity Platinum will be 9% in the first year and decrease throughout the rate guarantee period according to the table below. Upon renewal into a new rate guarantee period, surrender charges will be waived for 30 days to allow for free withdrawals, and will then be reset to 9%, and will follow the same decreasing pattern through each subsequent guarantee period.

The number of years into the current Guarantee Period is:	Surrender Charge
1	9%
2	8%
3	7%
4	6%
5	5%
6	4%
7	3%
8	2%
9	1%
10	1%

Example: Maria purchases a Fidelity Platinum Annuity with a 5 year guaranteed rate period. Her surrender charges will begin at 9% in the 1st year, and then decrease to 8% in the 2nd year, 7% in the 3rd year, 6% in the 4th year, and 5% in the 5th year. At the end of the 5th year, Maria's annuity will automatically renew into a new 5 year interest guarantee period at the then current interest rate. Surrender charges will also be reset, so that in the 6th year of Maria's annuity (or the first year of the renewal period) the surrender charge will again be 9%. Surrender charges will continue to follow the same pattern throughout each renewal period. Maria's surrender charge will be 8% in the 7th year, 7% in the 8th year, 6% in the 9th year, 5% in the 10th year, 9% in the 11th year (first year of 2nd renewal period), 8% in the 12th year, etc.

MARKET VALUE ADJUSTMENT

A market value adjustment (MVA) applies to a full surrender, or to any partial surrender (withdrawal), to which a surrender charge applies. The MVA is in addition to the surrender charge and is calculated using the Adjustment Factor described in the MVA rider attached to the annuity. This factor is based on changes in the yields on U.S. Treasuries. The MVA may increase or decrease your surrender value.

EXCEPTIONS TO THE SURRENDER CHARGES

- 1) Partial withdrawals up to the amount of accumulated interest may be made without a surrender charge.
- 2) If you surrender within 30 days following the end of each guarantee period, the surrender charge is waived.
- 3) Election of an annuity option will be free of any surrender charges.
- 4) If you are confined to a licensed nursing home for more than 60 days and the confinement begins after the first annuity year, we will waive the surrender charges for withdrawals made during your confinement.
- 5) If, after the first year of your annuity, you are diagnosed by a licensed physician to have an illness or condition that causes your life expectancy to be less than one year, we will waive the surrender charges on your annuity.
- 6) If, after the annuity is issued, an Owner under age 65 becomes unemployed for at least 30 days, we will waive the surrender charges for withdrawals made during that period of unemployment while the Owner is under age 65.
- 7) No surrender charges apply after the death of an Owner, unless the spouse of the first Owner to die continues or succeeds to ownership of this annuity.

TAXATION OF WITHDRAWALS

Withdrawals may be subject to income tax. If withdrawals are made before age 59 1/2, they also may be subject to an IRS penalty tax.

MINIMUM REQUIRED DISTRIBUTIONS

Certain tax qualified annuities are subject to minimum required distributions which generally require that distributions begin no later than your attainment of age 70 1/2 or retirement, whichever is later, and that amounts be paid to you over a period not longer than your life expectancy. Consult your tax advisor.

PAYMENT IN THE EVENT OF DEATH

Should you die before electing to receive income payments, the account value will be paid to the beneficiary named in your annuity. If an annuitant dies after electing to receive income payments, but before all guaranteed income payments are received, any death benefit will be paid to the beneficiary named in the annuity.

NOTICE OF ANNUITY VALUES

At least once each year, we will send you a report of the current annuity values.

RIGHT TO EXAMINE ANNUITY

This annuity includes a 10-day right of examination. This means that within the first 10 days after you receive your annuity, you may return the annuity and receive 100% of your single premium paid, minus any prior withdrawals.

Not a deposit • Not FDIC insured • Not insured by any Federal Government Agency • Not guaranteed by a financial institution (such as a bank, savings association or credit union) • The financial institution may not condition an extension of credit on the consumer's purchase of an insurance product or an annuity from the financial institution or any of its affiliates.
